

Manhattan School of Music Campus Health Nurse

Our goal at the MSM Campus Health Nurse Office is to provide a culturally-competent and holistic approach to medical care that will help support and encourage students to succeed during their time here at MSM and beyond. Whether you have a medical question that needs answering or an ongoing medical issue that needs some attention, the Campus Health Nurse Office is a good place to start! The Campus Health Nurse Office is conveniently located on-campus on the 6th floor of Andersen Hall, Room 618. Visits are conducted on a WALK-IN basis only. Health and wellness services are available free of charge (insurance is NOT required) to both residential and non-residential students Monday through Friday during the academic school year. Services provided include: basic first aid and triage for minor injuries and illnesses; coordination and case management of students' health needs; promotion and education of positive health behaviors; linkage to community health resources and services. If further follow-up by a physician or other medical provider outside MSM's Campus Health Nurse is warranted, you may be required to provide proof of medical insurance coverage. You are welcome to contact Nurse Grigoriou by email at sgrigoriou@msmny.edu or call 917-493-4278.
