

Cecil Distributors, Inc., is proud to offer the **Hot/Cold**: a combination refrigerator, microwave and freezer, all-in-one.

This year, we are also offering students the option of renting from our stock of New Micro Fridges, or from our current stock of older Hot Colds.

Both the HotCold and the MicroFridge have a large, separate freezer compartment, which enables students to store frozen foods, ice cream and other tasty treats. With the microwave, students can then heat these and other food and beverage items, all of which helps make living in the residence hall feel a little more like home.

For the more budget conscious, we still offer the compact refrigerator. Students can order on line via our web site (**cecildistributors.com**) or by mailing in the attached coupon.

Questions/Problem? The best way for us to answer your questions is via e-mail (**info@cecildistributors.com**).

For those more comfortable using the phone, parents and students may also reach us at (718) 267-6484, Monday through Friday 10 am - 3 pm.

Delivery Schedule*

1st Delivery
Friday, 8/21/09
9 - 12 pm

2nd Delivery
Friday, 8/28/09
9 - 11:00 am
