

Home Recording Tips

Recording Checklist

- Placement
  - Audio: How is the Direct-To-Reverb ratio?
  - Video: Is the light in front of you?
- Microphone Gain: Do you have ample headroom?
- Digital Formats
  - Audio: Are the sample rate and bit depth correct?
  - Video: Are the resolution, framerate, and audio sample rate correct?
- Editing: Did you use masking to hide your edits?
- Bouncing: Is your final audio a normalized, stereo, WAV file?
