## INTRODUCTION

Dear Student:

Welcome to Manhattan School of Music! These are important years in your development as an artist and as a person. I wish you every success in your endeavors and I am here to assist you in any possible way. This document is designed to answer frequently asked questions about the string department. The responsibility for knowing the information contained in this handbook, as with all school policies and procedures, rests with you. Consult your major teacher or the departmental chair with any departmental questions or concerns.

With best wishes,

A handwritten signature in black ink that reads "Nicholas Mann". The signature is fluid and cursive, with a long horizontal stroke at the end.

Nicholas Mann  
String Department Chair

This handbook does not apply to students enrolled in the Orchestral Performance Program or the Contemporary Performance Program. Consult the appropriate program director.

## APPLIED LESSONS

### Your Teacher

This is one of the most important parts of a musician's development. Your teacher is among the most vital sources in helping you to make career decisions, both large and small. As in any relationship, issues may arise which need discussion and/or resolution. You are encouraged to discuss problems, as they occur, directly with your teacher. Unresolved issues and/or the sense that you cannot discuss problems with your teacher need to be addressed with the departmental chair or the Provost.

You are entitled to and required to have twenty-eight one-hour private lessons with your major teacher in the course of the school year. Some teachers give these lessons each week. Others, given the nature of other performance and teaching commitments, offer two-hour lessons and/or lessons at differing intervals. Others still have teaching associates or substitutes to give lessons at times when they are unable to do so. Make certain that you understand your teacher's lesson schedule plan. If you are concerned that you are not receiving the requisite number of lessons or have a problem with the frequency of your lessons, notify the departmental chair.

### Change of Teacher

Students may request a change of teacher. This is an important decision to be thought over carefully and thoroughly. Student decisions to change teachers are often the result of miscommunication or lack of communication with the current teacher. You are therefore encouraged to discuss the matter with your teacher and/or with the departmental chair and the Dean of Academic Affairs. If you wish to change teachers you must obtain a Change of Teacher Request Form from the Provost's office. Complete instructions are on the form. School policy prohibits any action against a student by a former teacher.

## **Attendance Policy**

Private lessons constitute the core performance study for every student. If a student needs to cancel a studio lesson for any reason, the student should immediately inform the studio teacher. In cases of documented illness or other emergency, the teacher will attempt to make up missed lessons at a mutually convenient time. The studio teacher is not obligated to adjust lesson times or make up lessons that were canceled for non-illness, non-emergency reasons. Any student who has two consecutive unexcused absences in his or her private lessons will be required to see the Dean of Students before lessons may resume.

## **Professional Leave**

Students may request to be excused from school for professional engagements for periods not longer than two weeks. The Limited Leave of Absence form is available from the Office of the Provost, and requires the signature of all teachers, the departmental chair, International Student Services (as applicable) and the signature and approval of the Dean of Academic Affairs.

## **Playing-related Pain**

If you experience pain before, during, or after playing your instrument, discuss it immediately with your major teacher. Physical pain is a sign that you are not using your body correctly. There are referral sources available to help you with this before it becomes chronic or serious. If physical therapy or other help is needed, consult the office of student life.

# **TECHNICAL STANDARDS**

In order to maintain the integrity of the educational process at Manhattan School of Music, the school has developed a set of criteria for entrance to, and graduation from all the degree programs offered at MSM. These standards include a combination of both technical and musical skills and they are the result of consultation with faculty, administration and professionals throughout our musical community.

All string students admitted to Manhattan School of Music will have demonstrated the following abilities:

## **Technical Skills**

- Tune their instrument
- Hear and distinguish pitch relationships and intonation
- A basic sense of rhythm with an understanding and ability to play standard rhythms and meters
- Basic coordination of both hands and a substantial degree dexterity and consistency in left hand
- Understanding and ability to perform standard bow strokes
- Have the focus and endurance to participate in orchestral and chamber music rehearsals and concerts

## **Musical Skills**

- Understanding of musical notation and familiarity with the most common musical terminology
- A basic understanding of several musical styles including Bach
- A basic understanding of musical structure and harmony
- A basic understanding of musical nuance and the potential to grow as a musician

## **The Evaluation of Technical Standards at Juries**

An annual jury is conducted to allow the faculty to assess the growth and progress of each student in all the above areas. All standards are judged in relation to the student's degree program and level of study. For BM students, the sophomore jury is a critical moment to evaluate the progress and potential of students to ensure that they are on the correct path to a successful completion of their Bachelor's degree.

Each year at MSM, students are required to present specific repertoire at their juries (all contained in this hand-book) so that at the end of their degree program they will have demonstrated that they have attained the necessary skills for graduation.

## **Syllabus**

Applied lesson faculty have created a course syllabus that describes the objectives, grading, attendance, and other policies related to your lessons. Please be sure to read over the syllabus carefully and discuss any questions you have with your teacher.

# **ENSEMBLE REQUIREMENTS**

## **1. Orchestra**

All string players must participate in orchestra every semester, for the entire semester, until graduation. Seating auditions will take place at the beginning of each semester. These auditions take place behind a screen so that the audition panel cannot see the person playing. Only orchestral excerpts are heard at this audition, and orchestral seating is determined by the results of the audition. Careful preparation for this audition is strongly advised. Please consult the Office of Orchestral Operations for applicable repertoire. Students are required to take this audition each semester. Any string player unable to attend the required audition must contact the office of orchestral operations prior to the audition date. Please consult the orchestra handbook for further information.

## **2. Chamber Music**

Students are required to complete a minimum of six semesters (undergraduate), four semesters (graduate), by assignment (Professional studies/Doctor of Musical Arts) of chamber music. Other than a one-year undergraduate requirement, bassists are not required to play chamber music, but will be assigned by individual student request as possible in coordination with the requirement for other string players. The Manager of Chamber Music and Ensembles makes assignments in consultation with the Departmental Chairs of Strings and Piano. Students are strongly advised to fill out a chamber music request form each semester. Specific requests for type of ensemble, fellow players, and coach are given serious consideration.

Please consult the Chamber Music Handbook for further information.

## **3. Orchestral Repertoire**

All string students enrolled in undergraduate and graduate programs must complete a minimum of four semesters of Orchestral Excerpts classes. Consult the office of the registrar for more information.

# JURIES

## Jury for Non-graduating Students

Every student must play a jury during the May jury period of each school year until applicable jury and recital requirements have been fulfilled. A fall jury period will be scheduled each year, as necessary, for students who need to take a jury at that time. Consult repertoire requirements early in the school year and prepare carefully for this important event. Juries are a vital part of your training as a performer, and the resultant scores have bearing on your academic record, scholarship, chamber music, and orchestra assignments, and other aspects of your standing within the School. The Office of the Registrar assigns jury days and times. Students are responsible for providing their own accompanists for juries. Early planning will avoid last-minute scheduling problems. Students are encouraged to read their jury comments, which are available in the Office of the Registrar. The jury performance times allotted in non-graduating years are: freshman—ten minutes; sophomore—fifteen minutes; junior—fifteen minutes (junior double bass—ten minutes); first year of graduate study—fifteen minutes. Please review Nonrequired Recitals.

## Sophomore Continuation Jury

This jury, at the end of the sophomore year of study, establishes that a student's progress has been sufficient to reasonably ensure completion of the program of study. The evaluation will determine whether or not a student may continue in that program.

## Advanced Standing Jury

In rare cases, undergraduate students may accelerate their program in performance by means of an Advanced Standing jury. A successful Advanced Standing jury will allow a student to graduate early, provided all other academic requirements are also met early. Advanced standing can only be granted for one semester. To start the process, the student submits a petition for advanced standing to the Registrar's office. This petition must indicate the approval of both the major teacher and the department chair, and must be turned in no later than March 1 of the academic year in which the advanced standing jury is to take place.

## Jury for Students Graduating from Undergraduate and Graduate Programs

Students expecting to graduate from either program during the current school year must play a graduation jury. Consult applicable repertoire requirements. Students are responsible for providing their own accompanists. Graduation juries will take place during the last week of April and they are scheduled by the Office of the Registrar. Review the Required Recital section of this handbook. A graduation jury and/or graduation recital does not serve as a substitute for an entrance examination to a higher degree level.

## Professional Studies and Doctor of Musical Arts

In most cases there are no juries. Review the requirements for recitals.

All current students who take an entrance audition at MSM for a higher degree program and are accepted by the school are not required to play a graduation jury

## Jury Comments

Students have a right to see their jury comments and scores. They may elect to allow their teacher to see them.

## Grading

The student's jury grade is the average of all scores received at the jury (excluding those of the primary teacher and any teacher who has previously taught the student at MSM).

## Jury Postponement

The Provost's office will only consider a student petition requesting postponement of a jury in extreme medical conditions (documented by a physician), sudden family emergencies, or other exceptional circumstances. In all other cases, any student who fails to play a scheduled jury will receive an F for that jury. A failed jury may result in academic probation or dismissal from MSM. A postponed jury must be successfully completed not later than the first two weeks of the subsequent semester.

# RECITALS

## Scheduling Recitals

A graduation recital and/or jury, if required, must take place within the last two semesters of major lessons. A date for the recital must be applied for with the Scheduling Office. The recital program must be approved by the major teacher and the department chair, and a copy of this program must be submitted to the Office of the Registrar as part of the student's graduation requirement.

## Nonrequired Recitals

Students are encouraged to give recitals in nongraduating years. Consult with your teacher for approval. Most nongraduating recitals are given in the fall semester when recital space is less at a premium. Consult the scheduling office for a recital application. Students are responsible for providing their own accompanists.

## Required Recital—Undergraduate and Graduate Programs

Students expecting to graduate from either program during the current school year are required to give a graduation recital in addition to the graduation jury. Follow repertoire requirements carefully in building a recital program. Make certain that your teacher approves of the chosen repertoire. Consult the scheduling office for a recital application. Further, the recital repertoire approval form, also available from the scheduling office, requires the approval and signatures of your teacher and the departmental chair. The teacher's signature implies that the student is prepared to perform. Once the major teacher has signed the form, the teacher is not permitted to re-quest a postponement of the recital. The signature of the departmental chair signifies approval of the repertoire and programming. The departmental chair will not sign a recital repertoire approval form until the major teacher has done so. Students should be certain that the program is accurately written before submitting it for signatures. The recital repertoire approval form is to be filed with the scheduling office and the departmental chair at least four weeks prior to the recital date. Students must be enrolled for major lessons until the graduation recital and graduation juries (as applicable) have been successfully completed. A graduation recital and/or graduation jury does not serve as a substitute for an entrance examination to a higher degree program. Students are re-sponsible for providing their own accompanists.

## Required Recital—Professional Studies

Consult the scheduling office for a recital application. Consult repertoire requirements carefully. Students are responsible for providing their own accompanists. Students are required to present an audio recording of the recital to the departmental chair as soon as possible after the recital for adjudication by appropriate faculty.

## Doctor of Musical Arts Recitals

Consult the Assistant Dean for Doctoral Studies for procedures and requirements.

## Recording of Recitals

The school records all required recitals when possible.
