BACHELOR OF FINE ARTS IN PERFORMING ARTS (BFA ONLINE)

The Performing Arts Core is the heart of your BFA Online journey, offering 10 dynamic courses (30 credits), each delivered in a flexible 6-week online format. Designed to sharpen your skills and prepare you for success beyond graduation, your journey begins with a Formative Course to ignite your learning. The program culminates in a career-driven Capstone Project tailored to your professional goals. This unique structure ensures a smooth transition to the next stage of your life.
