ABOUT THE CONSULATE SERIES

The Consulate Series is a strategic initiative designed to strengthen MSM's cultural presence in New York City by building intentional partnerships with international consulates. As part of the 2024–2029 Strategic Plan initiative, Catalyze NYC (Harlem and Beyond) as MSM's Home, the Series aims to be a key pillar in enhancing MSM's cultural visibility and engaging with the NYC community. The Series leverages cultural exchange to strengthen our students' sense of belonging and to expand their professional opportunities. The effort is led by Madeline Lucas Tolliver, Dean of Performance & Production Operations, Nicolas Gonzalez, AVP for Strategic Innovation & Special Initiatives, and Ramon Tenefrancia, Assistant Director for Scheduling and Patron Services. Please contact Dean Tolliver or Mr. Gonzalez if you'd like to inquire about further collaborations.

ABOUT MANHATTAN SCHOOL OF MUSIC

Founded as a community music school by Janet Daniels Schenck in 1918, today MSM is recognized for its more than 1,000 superbly talented undergraduate and graduate students who come from more than 50 countries and nearly all 50 states; its innovative curricula and world-renowned artist-teacher faculty that includes musicians from the New York Philharmonic, the Met Orchestra, and the top ranks of the jazz and Broadway communities; and a distinguished community of accomplished, award-winning alumni working at the highest levels of the musical, educational, cultural, and professional worlds.

The School is dedicated to the personal, artistic, and intellectual development of aspiring musicians, from its Precollege students through those pursuing doctoral studies. Offering classical, jazz, and musical theatre training, MSM grants a range of undergraduate and graduate degrees. True to MSM's origins as a music school for children, the Precollege Division is a professionally oriented Saturday music program dedicated to the musical and personal growth of talented young musicians ages 8 to 18. The School also serves some 2,000 New York City schoolchildren through its Arts-in-Education Program, and another 2,000 students through its critically acclaimed Distance Learning Program.

Your gift helps a young artist reach for the stars!

To enable Manhattan School of Music to continue educating and inspiring generations of talented students and audiences alike, please consider making a charitable contribution today.

Land Acknowledgment

We want to acknowledge that we gather as Manhattan School of Music on the traditional land of the Lenape and Wappinger past and present, and honor with gratitude the land itself and the people who have stewarded it throughout the generations. This calls us to commit to continuing to learn how to be better stewards of the land we inhabit as well.
